These graduate courses are valued at \$675.

To become eligible for this assistance, potential recipients must complete certain criteria, which will determine the eligibility for a scholarship up to \$500 per course. Please remit a typewritten or computerized, graduate-level paper (2-3 paragraphs in length) describing how you will integrate, synthesize and implement the information from these courses into your classroom curriculum.

These applications will be reviewed and approved on a first-come, first-serve basis.

Please complete the information above and fax this page along with your application paper to 719.576.8801, attention Chrys Rheinbolt, or mail to:

Space Foundation
